AGREEMENT AND DECLARATION BY APPLICANT

The Applicant hereby agrees and declares:

1. to submit all financial information, documentation or additional information requested for processing of the application or for auditing the grant;
2. to accept an agreement in accordance with the published terms and conditions to produce up to the my proposed committed production or the committed production approved by the Minister of Energy, whichever is less.
3. that failure to accept such an agreement will disqualify me and/or the facility identified in the application from eligibility to re-apply under the Bioenergy Producer Credit Program for the next production year.
4. to indemnify and save harmless the Minister of Energy and the Crown against any claims, actions, demands or proceedings that may be brought at any time against the Minister or the Crown arising out of the grant or the performance of the conditions of the grant;
5. to comply with all terms and conditions of the grant under the Government Organizing Act, Energy Grant Regulation – AR 103/2003 under which the grant is made;
6. that all corporations, societies and bodies named in the application are validly incorporated, exist as legal entities and have powers and objects wide enough to use any grant made under the application;
7. that all information contained in this application is true; and
8. that the information given in the application and in supporting documentation is complete and correct.

I, THE UNDERSIGNED, HAVE THE AUTHORITY TO SIGN THIS DOCUMENT ON BEHALF OF THE APPLICANT AND I UNDERSTAND THAT GIVING FALSE OR MISLEADING INFORMATION IS AN OFFENCE UNDER THE CRIMINAL CODE.

I understand that by applying to the Bioenergy Producer Credit Program, I will accept an agreement in accordance with the published terms and conditions to produce up to the offered production commitment, or my stated production obligation, whichever is less. Further, I understand that failure to accept such an agreement will disqualify me and/or the facility identified in the application from eligibility to re-apply under the Bioenergy Producer Credit Program for the next production year.
